DISCOVER THE IRRESISTIBLE SMOOTHNESS

In 1949 the LINDT SWISS MASTER CHOCOLATIERS created a true masterpiece: LINDOR. Still today, LINDOR is one of the best kept secret recipes for irresistibly smooth chocolate. LINDOR perfectly reflects true craftsmanship, skill and dedication of the LINDT MASTER CHOCOLATIERS. The exquisitely creamy chocolate and artistic mastery has ever since delighted chocolate lovers worldwide.

LINDOR is available in a variety of delicious flavours, with milk being the most popular.

LINDOR is available in various formats such as the signature LINDOR Balls, the popular LINDOR Singles and the convenient LINDOR Stick. The versatile range of elegant packaging caters to every occasion of gift giving and self-consumption for lovers of premium chocolate.

As for many LINDT products, the most compelling sales argument is the taste experience.

LINDOR is uniquely successful when promoted through (in-store) sampling activities
